issued by Paragon Mortgages (No. 15) PLC

Paragon Mortgages (No. 15) PLC (the "**Issuer**") hereby gives notice of a meeting of the holders of the \$1,000,000,000 Class A1 mortgage backed floating rate notes due 2039, the £209,500,000 Class A2a mortgage backed floating rate notes due 2039, the €110,000,000 Class A2b mortgage backed floating rate notes due 2039 and the \$150,000,000 Class A2c mortgage backed floating rate notes due 2039 issued by the Issuer to be held at the offices of Clifford Chance LLP, 10 Upper Bank Street, London E14 5JJ on 27 August 2014 at 10:30 a.m. (London time), 11:30 a.m. (CET) and 5:30 a.m. (New York time) (the "**Meeting**").

The Meeting is to be held pursuant to Condition 13 of the Notes and the provisions of Schedule 3 of the trust deed dated 19 July 2007, as varied or supplemented from time to time, (the "**Trust Deed**") relating to the Notes and made between the Issuer and Citicorp Trustee Company Limited (the "**Trustee**") as trustee for the Noteholders, for the purposes of considering and, if thought fit, passing the resolution set out below, which will be proposed as an Extraordinary Resolution in accordance with the provisions of the Trust Deed.

This Notice is being sent to the Class B Noteholders and the Class C Noteholders for information purposes only. The proposed amendments in relation to which the proposed resolutions are to be passed do not require Extraordinary Resolutions to be passed at separate meetings of the holders of each class of Notes because they do not relate to Basic Terms

Modifications. The Trust Deed further provides that where, in the opinion of the Trustee, there is a conflict between the interests of the Class A Noteholders and the interests of the Class B Noteholders and/or the Class C Noteholders the Trustee shall, notwithstanding anything to the contrary contained in the Trust Deed, the Relevant Documents or the Notes (including the Conditions), have regard only to the interests of the Class A Noteholders, and the Class B Noteholders and the Class C Noteholders shall not have any claim against the Trustee for so doing. The decision of the Class A Noteholders regarding the proposed resolutions reproduced below will be binding on the Class B Noteholders and the Class C Noteholders. Therefore, a meeting of the Class B Noteholders and the Class C Noteholders is not necessary.

Capitalised terms not otherwise defined in this Notice shall bear the meaning given to them in the Trust Deed and in the offering circular dated 16 July 2007 relating to the Notes.

EXTRAORDINARY RESOLUTION

The following is the text of the Extraordinary Resolution to be proposed at the Meeting:

"THAT this Meeting of the holders of the \$1,000,000,000 Class A1 mortgage backed floating rate notes due 2039, the £209,500,000 Class A2a mortgage backed floating rate notes due 2039, the €110,000,000 Class A2b mortgage backed floating rate notes due 2039 and the \$150,000,000 Class A2c mortgage backed floating rate notes due 2039 issued by Paragon Mortgages (No. 15) PLC (the "**Issuer**", and the holders of such notes being the "**Class A Noteholders**") constituted by the trust deed dated 19 July 2007 (the "**Trust Deed**"), as varied or supplemented from time to time, and made between the Issuer and Citicorp Trustee Company Limited as trustee (the "**Trustee**") assent to the modification of:

1. the Currency Swap A1 Agreement;
2. the Currency Swap A2b Agreement;
3. the Currency Swap A2c Agreement;
4. the Currency Swap B1b Agreement; and
5. the Currency Swap C1b Agreement,

in each case between the Issuer, the Trustee and Barclays Bank PLC as Currency Swap Provider and in each case in the manner set out in the amendment and restatement agreement to be entered into between the Issuer, the Trustee and the Currency Swap Provider in or substantially in the form that was available from the Principal Paying Agent for inspection by the Class A Noteholders prior to this Meeting (the "**Amendment and Restatement Agreement**").

That the Class A Noteholders hereby:

- (a) sanction every abrogation, modification, compromise or arrangement in respect of the rights of the Noteholders pertaining to the Notes against the Issuer or any other person involved in or resulting from the modifications referred to in this Extraordinary Resolution;

- (b) direct and authorise the entry into, execution and delivery of the Amendment and Restatement Agreement;
- (c) direct, authorise and instruct the Trustee to waive the requirement for the Issuer to obtain prior written approval of the Rating Agencies to the modifications to be effected pursuant to the Amendment and Restatement Agreement, and authorise the Issuer to make the modifications if the Rating Agencies have been notified of the proposed modifications to be effected pursuant to the Amendment and Restatement Agreement (for which purpose the Trustee may rely on confirmation in writing by or on behalf of the Issuer that the Rating Agencies have been so notified) notwithstanding that explicit approval of the amendments and/or confirmation that this will not adversely affect the rating of the Notes may not have been received from the Rating Agencies;
- (d) authorise, direct and instruct the Trustee to concur in taking all steps considered by it in its sole discretion to be necessary, desirable or expedient to carry out and give effect to this Extraordinary Resolution (including, without limitation, agreeing to such amendments or modifications to the form of the Amendment and Restatement Agreement as the Trustee may in its sole and absolute discretion approve) and acknowledge that any such steps will not subsequently be called into question by us;
- (e) direct, authorise and instruct the Trustee to concur in the modifications referred to in this Extraordinary Resolution and agree that the Trustee shall not be responsible for any liability in relation thereto including any consequences to any person resulting therefrom;
- (f) direct, authorise and instruct the Trustee not to require any legal opinions in relation to the Amendment and Restatement Agreement to give effect to this Extraordinary Resolution; and
- (g) discharge and exonerate the Trustee from any liability in respect of any act or omission for which the Trustee may be or may become responsible by reason of its acting in accordance with this Extraordinary Resolution or making any determination or exercising (or, as the case may be, not exercising) any other power or right conferred pursuant to, or arising out of, this Extraordinary Resolution.

Capitalised terms not otherwise defined in this Extraordinary Resolution shall have the meaning given to them in the Trust Deed and in the offering circular dated 17 July 2006 relating to the Notes."

Background and Reasons for Meeting

The proposed changes are intended to accommodate the revised "Approach to Assessing Swap Counterparties in Structured Finance Cash Flow Transactions" published by Moody's Investors Service Ltd ("**Moody's**") on 12 November 2013 (the "**New Moody's Counterparty Criteria**").

The application of the New Moody's Counterparty Criteria is rating-neutral for most structured finance transactions, but may result in rating actions to a limited number of transactions, particularly those with large exposures to lower-rated counterparties. Therefore, the Notes may be directly impacted if the amendments required in order to implement the New Moody's Counterparty Criteria are not so implemented.

Failure to implement the changes described above may potentially result in (1) either immediately or in the future, the ratings ascribed to some or all classes of Notes by Moody's being downgraded or otherwise adversely affected and (2) other adverse consequences for the holders of all classes of Notes (including, without limitation, in relation to the price at which the Notes may trade).

The Issuer and Barclays Bank PLC as Currency Swap Provider propose to take this opportunity to also amend the Currency Swap Agreements to accommodate the latest counterparty criteria published by Standard & Poor's Financial Services LLC ("**S&P**") on 24 June 2013 and 25 June 2013 (the "**New S&P Counterparty Criteria**" and, together with the New Moody's Counterparty Criteria, the "**New Counterparty Criteria**").

Additionally, the Issuer and Barclays Bank PLC as Currency Swap Provider propose to amend the additional termination events relating to a ratings downgrade of the Currency Swap Provider by Fitch Ratings Limited ("**Fitch**") set out in the existing Currency Swap Agreements (the "**Fitch Amendments**"). The Fitch Amendments are intended to prevent such additional termination events from being triggered until at least one entity has made an offer to replace Barclays Bank PLC as Currency Swap Provider which, when made, is capable of becoming legally binding upon acceptance. The Fitch Amendments closely follow the amendments being proposed to the additional termination events relating to downgrades of the Currency Swap Provider by Moody's and S&P, which are being amended as part of the New Counterparty Criteria amendments.

The Issuer, together with Barclays Bank PLC as Currency Swap Provider, has negotiated amendments to the existing Currency Swap Agreements (to be implemented by an amendment and restatement agreement to the Currency Swap Agreements which relate to the Notes to be entered into by the Issuer, the Trustee and the Currency Swap Provider (the "**Amendment and Restatement Agreement**")) which will implement the amendments described above. It is proposed that such amendments be assented to by the Class A Noteholders by Extraordinary Resolution in accordance with Paragraph 18(C) of Schedule 3 to the Trust Deed.

The direction to the Trustee to waive the requirement for prior written approval from the Rating Agencies and the authorisation to the Issuer of the making of amendments if the modifications have been notified to the Rating Agencies is intended to accommodate current practice and policy of the Rating Agencies relating to requests for written confirmation of approvals in these circumstances. The Issuer intends to notify Fitch, Moody's and S&P regarding the amendments proposed above but may not necessarily receive their explicit approvals to the amendments in writing.

The Issuer has accordingly convened the Meeting by the above Notice to request the Class A Noteholders' agreement by Extraordinary Resolution to the matters contained in the Extraordinary Resolution. Under the terms of the Conditions of the Notes and the Trust Deed, the proposed amendments do not constitute a Basic Terms Modification and therefore, if the

Extraordinary Resolution is passed, it will be binding on the Class B Noteholders and the Class C Noteholders.

Copies of the Trust Deed, the Terms and Conditions of the Notes and the draft Amendment and Restatement Agreement in substantially the same form as it is proposed they shall be executed (if the Extraordinary Resolution set out above is passed) are available during usual London business hours on request to Citibank, N.A., London Branch (the "**Principal Paying Agent**"), at the address set out at the end of this Notice and on provision of a written confirmation and undertaking in the form set out in the attached "Undertaking". Copies of those documents will also be available for inspection at the Meeting. Except to such Noteholders who have provided an executed Undertaking, copies of this Notice, the Extraordinary Resolution, the Trust Deed, the Terms and Conditions of the Notes, and any related documents will not be mailed or otherwise distributed or sent in or into the United States, including to any Noteholder with addresses in the United States. Any U.S. person receiving such documents (including, without limitation, custodians, nominees and trustees) must not distribute or send them in, into or from the United States. Moreover, a recipient of this Notice should not contact the Issuer, the Principal Paying Agent or the Trustee for a copy of the Extraordinary Resolution, the Trust Deed, the Terms and Conditions of the Notes or other information relating to the Notes if by doing so it will contravene any securities or other law or regulation to which it is subject.

The attention of the Class A Noteholders is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting which is set out in paragraph 3 of "Voting and Quorum" below.

In accordance with normal practice the Trustee expresses no opinion as to the merits of the Extraordinary Resolution (which it was not involved in negotiating). It has, however, authorised it to be stated that, on the basis of the information set out in this Notice, it has no objection to the Extraordinary Resolution referred to above being submitted to the Class A Noteholders for their consideration. The Trustee has, however, not been involved in formulating the modifications referred to in the Extraordinary Resolution and makes no representation that all relevant information has been disclosed to the Class A Noteholders in this Notice. Accordingly, the Trustee urges Class A Noteholders who are in any doubt as to the impact of the implementation of the modifications and waivers referred to in the Extraordinary Resolution to seek their own independent legal and financial advice.
