10 December 2019

To all Shareholders: NOTICE OF ANNUAL GENERAL MEETING

Dear Shareholder

I am pleased to advise you that our Annual General Meeting ('AGM') will be held at the offices of UBS AG London Branch at 5 Broadgate, London, EC2M 2QS on Thursday 13 February 2020 at 9.00am.

Since the release of the Company's Preliminary Announcement of Results on 26 November 2019, the Board has agreed that Peter Hartill will not retire at the AGM (as announced by the Company on 5 December 2019). The UK Corporate Governance Code recognises the need for a Board's committees to have a combination of skills, experience and knowledge and also that the membership should be regularly refreshed. After giving thorough consideration to the matter, the Board considers that Peter Hartill's independence, skills and experience allow him to continue to make a very effective contribution as a non-executive director, Senior Independent Director and Audit Committee Chair. The Board is focused on finding a replacement for Peter but will not compromise on quality and a suitable transition period. Subject to Peter Hartill's re-election at the upcoming AGM he will remain as a director. Consequently, he will also remain as Senior Independent Director until the appointment of a new senior independent director and also as Audit Committee Chair until that role is filled. It is intended, subject to Board and regulatory approval, that a new Audit Committee Chair will soon join the Company.

The resolutions to be proposed at the meeting are set out in the Notice of AGM (the 'Notice') on pages 6 to 8. If you would like to vote on the resolutions but are unable to attend the AGM, please complete the proxy form sent to you with this Notice and return it to our Registrars as soon as possible. They must receive it by 9.00am on Tuesday 11 February 2020 for your vote to count. Explanatory notes on the proposed resolutions to be considered at the AGM appear on pages 2 to 5 of this document.

The investor section on our website www.paragonbankinggroup.co.uk includes financial news and other information, which we hope will be of interest to shareholders. If you would like to register to receive shareholder documents electronically in future, please visit www.investorcentre.co.uk/ecomms.

The directors consider that all the resolutions to be put to the meeting are in the best interests of the Company and its shareholders as a whole. Accordingly, the Board (other than, in the case of resolutions 5 to 12, the director proposed for reappointment in each resolution) unanimously recommends that members vote in favour of each resolution.

Yours sincerely

Fiona Clutterbuck
Chair of the Board

Explanation of the proposed resolutions

Resolution 1 (Annual Report and Accounts)

The directors must lay the Annual Report and Accounts, including the Strategic Report, the Directors' Report and the Auditor's Report, of Paragon Banking Group PLC (the 'Company') before its members at a general meeting for the members to receive and consider. This is a legal requirement following the directors having approved the Accounts and the auditor having prepared their report.

Resolutions 2 and 3 (Directors' Remuneration Report and Directors' Remuneration Policy)

Shareholders are being asked to consider and approve the Directors' Remuneration Report, excluding the Directors' Remuneration Policy (the 'Policy') found at section B6 of the Annual Report and Accounts 2019. The vote on the approval of the Directors' Remuneration Report is advisory only and the directors' entitlement to remuneration is not conditional on it being passed.

The Policy must be put to a vote at least every three years (or sooner if there are changes required to the Policy). The Policy was last approved in 2017 so consequently shareholders are being asked to consider and approve the revised Policy (found at section B6 of the Annual Report and Accounts 2019) at the forthcoming AGM. Subject to obtaining shareholder approval, the Policy will take effect immediately after the end of the AGM on 13 February 2020 and will supersede the policy approved in 2017. Payments will continue to be made to directors and former directors in line with existing arrangements until this date.

Resolution 4 (Declaration of a final dividend)

Under the Articles of Association of the Company, a final dividend must be approved by shareholders by ordinary resolution. An interim dividend may, however, be authorised by the Board and the interim dividend of 7.0 pence per ordinary share paid on 26 July 2019 was so approved. The directors are recommending that shareholders declare a final dividend of 14.2 pence per ordinary share in respect of the year ended 30 September 2019. The amount declared as a final dividend may not exceed the amount recommended by directors. If approved, the final dividend will be paid on 17 February 2020 to shareholders on the Register of Members at close of business on 10 January 2020.

Resolutions 5 to 12 inclusive (Reappointment of directors)

Under Article 85 of the Company's Articles of Association certain directors are required to submit themselves for reappointment. In accordance with the UK Corporate Governance Code 2016 (the 'Code') however, the Board of Directors has decided that it is appropriate for all directors to submit themselves for reappointment on an annual basis. All current directors will retire and seek reappointment at the AGM (excluding John Heron, who has announced his intention to step down from the Board on 6 January 2020).

Following completion of formal performance evaluations, the Chair of the Board confirms on behalf of the Board that each director continues to make an effective and valuable contribution and demonstrates commitment to their role. The Board is also satisfied that each of the non-executive directors seeking reappointment remain independent for the purposes of the Code.

Further biographical information on the directors, detailing their business knowledge and experience, can be found in section B2 of the Annual Report and Accounts circulated with this Notice.

Resolutions 13 and 14 (Reappointment and remuneration of the auditor)

At each meeting at which Accounts are laid before the members, the Company is required to appoint auditors to serve from the conclusion of that meeting until the conclusion of the next such meeting. The Company's present auditor, KPMG LLP, have confirmed that they are willing to continue in office for a further year. Resolution 13 proposes KPMG LLP be reappointed. Resolution 14 gives authority to the Board, acting through the Audit Committee, to determine the auditor's remuneration. The remuneration will then be disclosed in the next Accounts of the Company.

Explanation of the proposed resolutions

Resolution 15 (Renewal of authority to allot shares)

Section 549 of the Companies Act 2006 (the 'Act') states that directors may not exercise a company's power to allot shares or grant rights to subscribe for or convert any security into shares unless given authority to do so by resolution of the shareholders in general meeting.

The present authority of the directors to allot shares of the Company was granted at the AGM on 14 February 2019 and will expire at the end of the forthcoming AGM. Resolution 15 seeks to give the directors authority to allot shares or grant rights to subscribe for or convert any security into shares up to an aggregate nominal value of £85,300,000 representing approximately one third of the Company's issued share capital, excluding treasury shares, at 6 December 2019, the latest practicable date prior to publication of this Notice. At 6 December 2019 the Company held 5,218,702 treasury shares, representing 2.04 percent of the Company's issued share capital, excluding treasury shares, at that date. The directors have no present intention of exercising this authority, which will expire at the conclusion of the following AGM or, if earlier, at the close of business on 12 May 2021. For information, allotments are made in connection with the Company's employee share schemes, from time to time, for which statute provides an exemption from the requirement to obtain authority under section 551 of the Act.

Resolutions 16 and 17 (Renewal of section 561 authority)

Under section 561 of the Act, any shares allotted (or, in the case of any shares held in treasury, sold) wholly for cash must be offered to existing shareholders in proportion to their holdings, but this requirement may be modified by the authority of a special resolution of the shareholders in general meeting.

The authority given at the AGM held on 14 February 2019 will expire at the end of the forthcoming AGM and resolutions 16 and 17 seek to renew it. These special resolutions would give the directors the power to allot ordinary shares (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

The power under resolution 16 would be, similar to previous years, limited to: (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary; or (b) otherwise up to a nominal amount of £12,800,000 (representing 12,800,000 ordinary shares). This nominal amount represents approximately 5 percent of the issued ordinary share capital of the Company (excluding treasury shares) as at 6 December 2019, the latest practicable date prior to publication of this Notice.

In respect of the authority under resolution 16, the Board confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authority within a rolling three-year period where the Principles provide that usage in excess of 7.5 percent of issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to below.

The power under resolution 17 would be limited to allotments up to a nominal amount of £12,800,000 (representing 12,800,000 ordinary shares) in connection with an acquisition or specified capital investment (within the meaning given in the Pre-Emption Group's Statement of Principles). This nominal amount represents approximately 5 percent of the issued ordinary share capital of the Company (excluding treasury shares) as at 6 December 2019, the latest practicable date prior to publication of this Notice).

In respect of the authority under resolution 17, the Board confirms that it will only allot shares pursuant to this authority where the acquisition or specified capital investment is announced contemporaneously with the allotment, or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authorities under resolutions 16 and 17 will expire at the conclusion of the following AGM or, if earlier, at the close of business on 12 May 2021.

Explanation of the proposed resolutions

Resolution 18 (Renewal of authority to purchase own ordinary shares)

Resolution 18 is to renew the authority granted to the Company at the 2019 AGM to purchase its shares. Whilst the Directors have no current intention of using this authority to make market purchases, this resolution provides the flexibility to allow them to do so in the future. The Company would only purchase its shares where the Directors believed that to do so would result in an increase in total return per share and that it was in the best interests of shareholders generally.

The Company currently has the necessary shareholder approval to undertake such share buy-backs and is proposing the appropriate renewal of this authority at its forthcoming AGM. This resolution, which is being proposed as a special resolution, will enable the Company to purchase, in the market, up to a maximum aggregate number of 25,600,000 of the Company's ordinary shares (approximately 10 percent of the issued share capital (excluding treasury shares) as at 6 December 2019) for cancellation, or to be held in treasury, at a minimum price (exclusive of expenses) of 10p per share and a maximum price (exclusive of expenses) of the higher of: (i) 5 percent above the average middle market quotation for an ordinary share as derived from the London Stock Exchange Daily Official List for the five business days immediately prior to purchase; and (ii) the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out. Listed companies, with authorisation from shareholders, may buy and hold their own shares in treasury instead of cancelling them immediately. Shares held as treasury shares can in the future be cancelled, re-sold or used to provide shares for employee share schemes.

Any purchases made by the Company will be announced no later than 7.30am on the business day following the transaction. This authority will expire at the conclusion of the following AGM or, if earlier, at the close of business on 12 May 2021.

Resolution 19 (Authority to allot equity securities in relation to the issue of Additional Tier 1 Securities)

The power under resolution 19 would give the Board authority to allot shares in the Company or grant rights to subscribe for, or to convert any security into, shares in the Company up to an aggregate nominal amount of £38,400,000 in connection with the issue of Additional Tier 1 Securities ('AT1 Securities'), representing approximately 15 percent of the issued ordinary share capital of the Company, excluding treasury shares, as at 6 December 2019 (being the latest practicable date prior to publication of this Notice). The authority under this resolution is in addition to the authority proposed under resolution 15. The authority sought under resolution 19 is not contemplated by the guidance issued by the Investment Association.

The authority sought under resolution 19 (and resolution 20 below) will be utilised as considered desirable to comply with or maintain compliance with regulatory capital requirements or targets applicable to the Group (being the Company and all of its subsidiary undertakings) from time to time, and taking into account a number of factors in respect of the Group, including its capital structure, an assessment of appropriate capital ratios, market conditions at the time and demand for the issue of AT1 Securities. However, the request for this authority should not be taken as an indication that the Company will or will not issue any, or any given amount of, AT1 Securities.

The authority under resolution 19 will expire at the end of the next AGM (or, if earlier, at the close of business on 12 May 2021).

Explanation of the proposed resolutions

Resolution 20 (Authority to disapply pre-emption rights in relation to the issue of Additional Tier 1 Securities)

The power under resolution 20 would give the Board authority to allot equity securities pursuant to any proposal to issue AT1 Securities, without first offering them to existing shareholders. This authorises the Board to allot shares in the Company or grant rights to subscribe for, or to convert any security into, shares in the Company on a non pre-emptive basis up to an aggregate nominal amount of £38,400,000 in connection with the issue of AT1 Securities, representing approximately 15 percent of the Company's issued ordinary share capital, excluding treasury shares, as at 6 December 2019 (the latest practicable date prior to publication of the Notice). Together with resolution 19, this resolution, which is being proposed as a special resolution, is intended to provide the Board with the flexibility to issue AT1 Securities which may convert into ordinary shares in the Company. This will allow the Company to manage its capital in the most efficient and economic way for the benefit of shareholders.

The authority under resolution 20 will expire at the end of the next AGM (or, if earlier, at the close of business on 12 May 2021).

Resolution 21 (Notice period for general meetings to be 14 clear days)

Shareholders may give approval, by special resolution, to shorten the notice period required for general meetings (other than AGMs) from 21 clear days to 14 clear days. At the AGM on 14 February 2019 shareholders approved the reduction of the notice period for general meetings (other than AGMs) to 14 clear days and resolution 21 seeks to renew this approval. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The shorter notice period will not be used as a matter of routine, but only in time-sensitive circumstances where flexibility is merited by the business of the meeting and the shorter notice period is to the advantage of the shareholders as a whole.

Notes

The Annual General Meeting ('AGM') is a private meeting for shareholders, proxies, duly authorised representatives and the auditor of Paragon Banking Group PLC (the 'Company'). Non-shareholders, including spouses and partners and nominated persons are not entitled to admission to the meeting. Any disabled shareholder may be accompanied and the person accompanying them need not be a shareholder. In the case of joint holders of a share, the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members of the Company in respect of the relevant joint holding.

Appointment of proxies

A member entitled to attend and vote at this meeting may appoint another person as their proxy to exercise all or any of their rights to attend and to speak and vote at a meeting of the Company. A member may appoint more than one proxy in relation to the AGM provided that the member specifies the number of shares in relation to which each proxy is appointed and each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not also be a member of the Company. A proxy form is enclosed for use in connection with the meeting. Proxy forms and any power of attorney or other written authority under which they are executed (or an office or notarially certified copy thereof) should be lodged with the Registrars of the Company at the address shown on the proxy form by 9.00am on Tuesday 11 February 2020. The appointment of a proxy or any CREST Proxy Instruction (as described below) will not preclude a shareholder from attending and voting at the meeting.

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at the close of business on Tuesday 11 February 2020 (or, in the event of any adjournment, on the date which is two days before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Nominated persons

The proxy appointment rights described above do not apply to any person nominated to enjoy information rights under section 146 of the Companies Act 2006 (a 'Nominated Person') by a member who holds shares on behalf of that person. The rights described in the above paragraphs can only be exercised by members of the Company.

A Nominated Person may, under an agreement between him or her and the member by whom he or she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID

Notes

number 3RA50) by 9.00am on Tuesday 11 February 2020. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Electronic proxy appointment

As an alternative to appointing a proxy using the proxy form or CREST, members can appoint a proxy online at www.investorcentre.co.uk/eproxy. In order to appoint a proxy using this website, members will need their Control Number, Shareholder Reference Number ('SRN') and PIN. This information is printed on the proxy form. If for any reason a member does not have this information, they should contact the Registrars by telephone on 0370 707 1244. Members may appoint a proxy using the website no later than 48 hours (excluding non-working days) before the time of the AGM or any adjournment of that meeting.

Shareholder questions

Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such questions relating to the business being dealt with at the meeting but no such answer need be given if: (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Audit information on website

Under section 527 of the Companies Act 2006 (the 'Act') members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstance connected with auditor of the Company ceasing to hold office since the previous meeting at which annual reports and accounts were laid in accordance with section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.
